

**VUE HOMEOWNERS' ASSOCIATION
MEMBERSHIP LIST OPT OUT FORM**

Unit #: _____

Association Members (Unit Owners) have the right, under certain circumstances, to inspect and copy the Association's membership list, including Members' names, property addresses, and mailing addresses.

However, homeowners may opt out of the sharing of their name and address by notifying the Association in writing that they prefer to be contacted by alternative means.

Please complete the form below if you **do not** want your information shared with other homeowners. You may return it to the Association Management Office at 255 W Fifth Street, Los Angeles, CA 90015.

If we do not have in our file this form or any written note that you wish to be contacted by other means, your name, property address, and mailing address may be given to other homeowners, if requested.

Thank you. Should you have any questions regarding this subject, please feel free to contact the Management Office.
